The decoration of manuscript is unfinished; f. 99r pen and ink underdrawing for an initial as above, with only touches of red added; blank spaces left for initials for remaining Epistles. Small initials, 3-line, gold with red penwork, for beginning of commentary for each Epistle. Headings in red or alternating red and blue majuscules. Plain initials touched with red. Running titles, later addition, in red. **Binding:** Twentieth century, United States (?).
